

المدرسة الأميركية الدولية في مصر - غرب AMERICAN INTERNATIONAL SCHOOL IN EGYPT - WEST

5 July, 2017

Dear AISE-West Community,

We have much to celebrate, now that our IB results are out! Here are a few highlights:

- We have a 97% pass rate for students attempting the full IB Diploma - this will be substantially higher than the world average which is usually around 80%;
- Our average score, this year, is 32 - this will be higher than the world average (it is usually 29-30).
- We had two students who scored 40s!

These are significant improvements in our results and would not have happened without the hard work and collaboration of all of our community members. We appreciate our teachers for doing a great job of preparing our students and supporting them with accurate predicted grades, we appreciate our parents for standing by us and cooperating with us as we advised parents on their student progress, we appreciate our school counselor for guiding our students in a supportive and realistic manner and we appreciate our IB Coordinator for bringing it all together and helping the year proceed smoothly!

Most especially, we congratulate and appreciate our students for working so hard to get the results they deserved!

This was truly a TEAM effort - Together, Everyone, Achieves, More! The AISE West Community Rocks!!!

Have a wonderful summer!

Joseph Levno
Secondary Principal
